

EVE QUEIRÓZ

ARTIST, ART MANAGER
AND CURATOR

ABOUT

I'm a very curious human being looking for new connections, opportunities and experiences.

I was born and raised in São Paulo, Brazil and working as an artist since 2009 into many artistic projects. I can say my worldview is made of colors, sensibility and excitement.

Since last year I've been studying Art Business and working as an art manager and curator in a project called Cor Preta, representing Black and Latin artists in Europe, which is my way of being an activist as well.
