

CAROL
PORTO

olá

Hello! It's all my pleasure to meet you.

My name is Carol Porto, I'm 28, from Rio de Janeiro - Brazil.

If you ask me about my art, I'll probably say that's part of me since I was born.

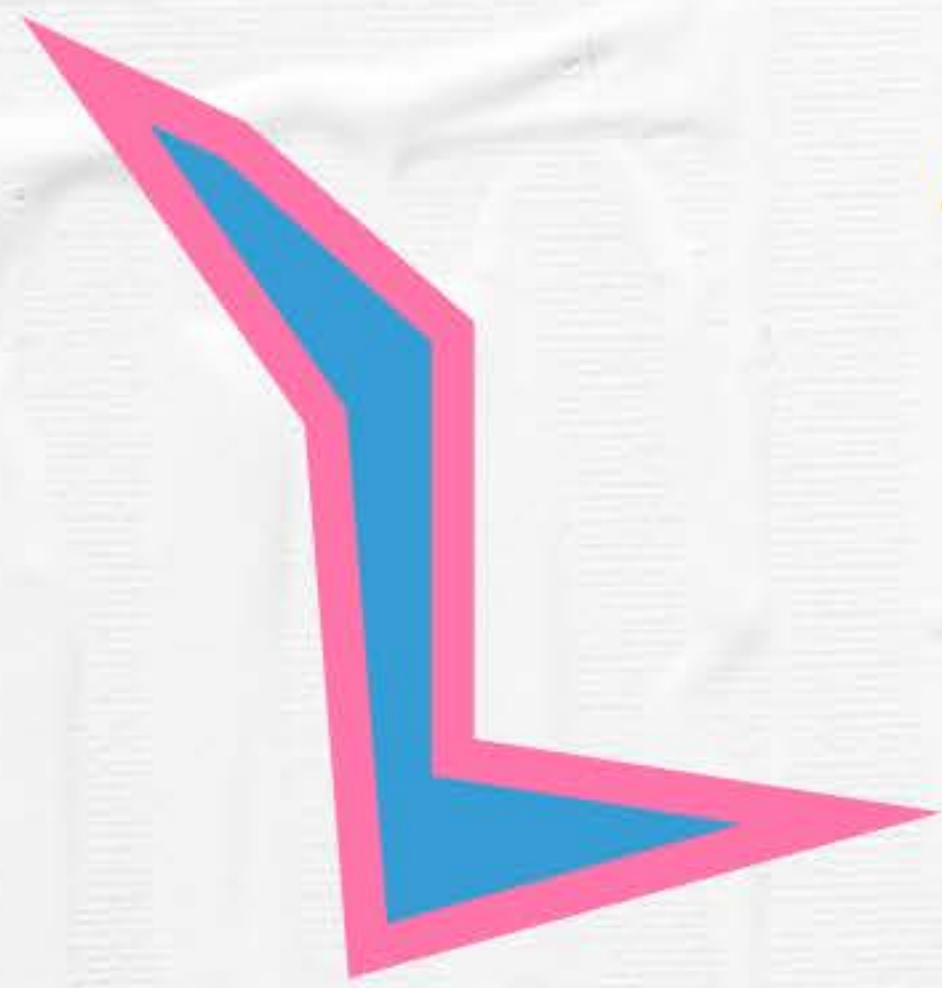

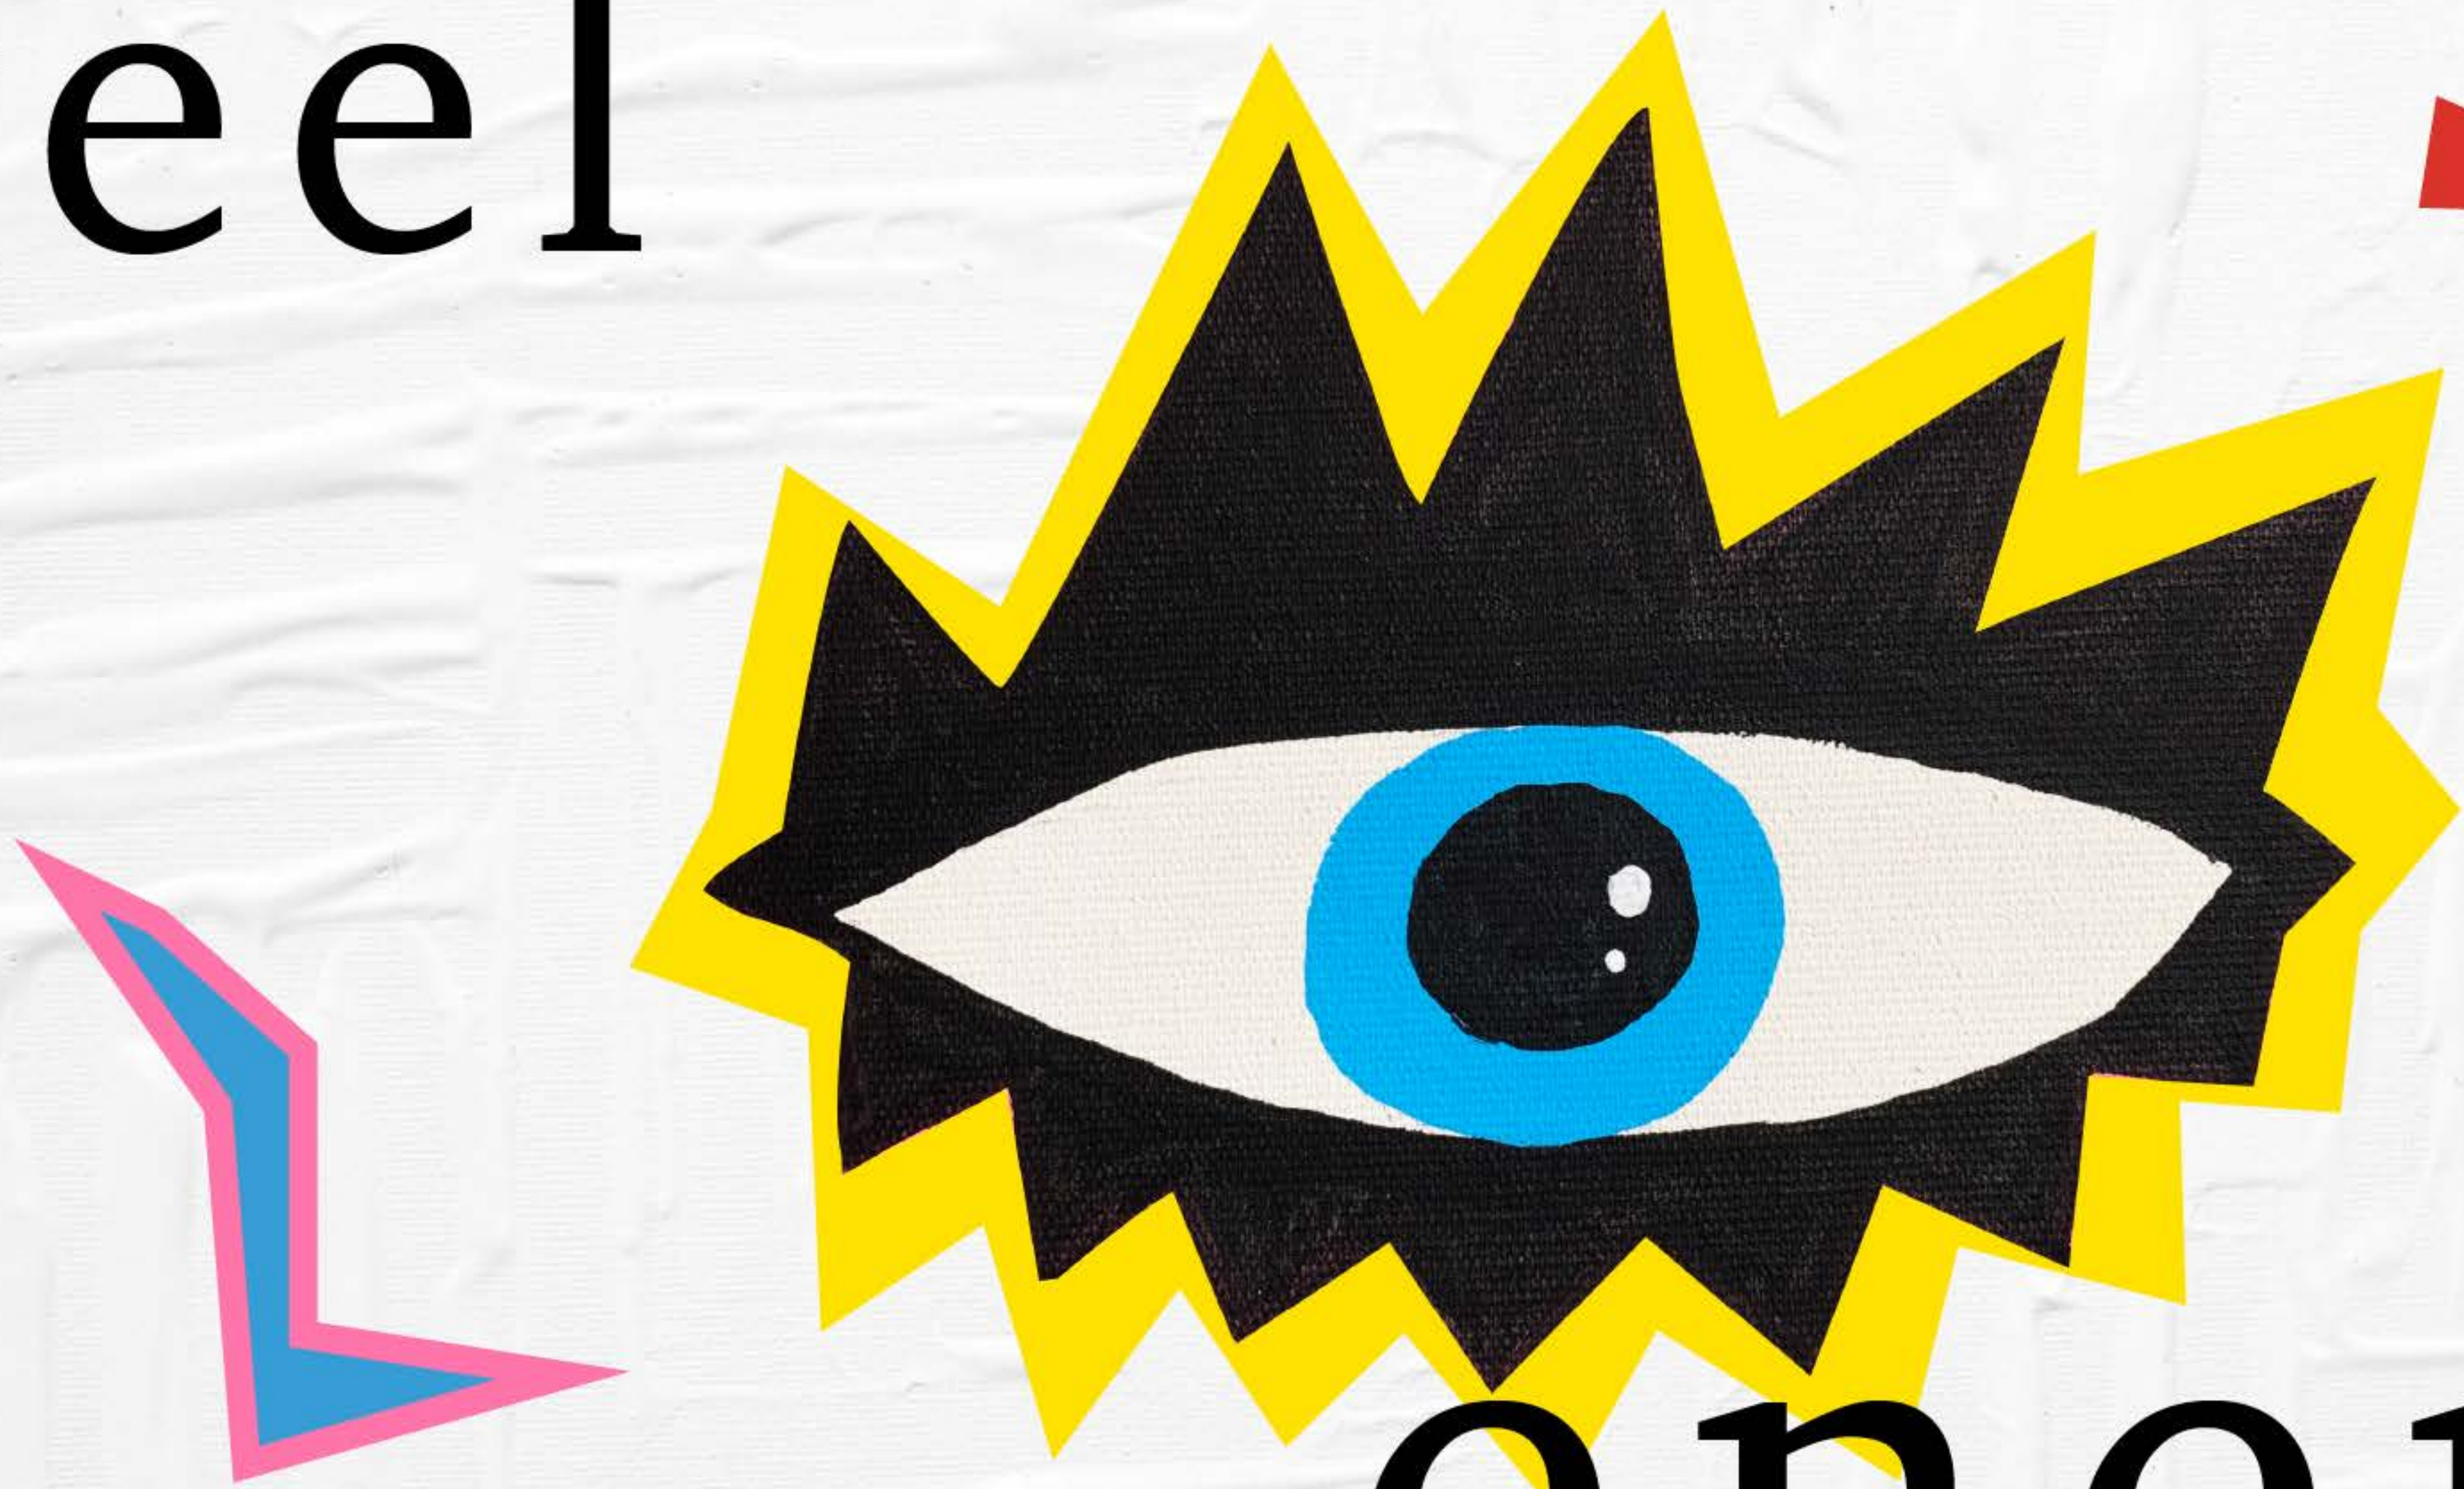

It's a pretty natural process for me to do my artwork, because all those colors and shapes are just me at all.

I try to spread some positive thoughts, good energies and protection. I'm an admirer of the unknown. I'm a lover of feelings.

So let me introduce you to my art, I really hope you enjoy it!
